Sub: Integrity Pledge for School Students

The Children are the future of our nation. In the last few years we have seen considerable change in human values towards materialistic outlook. The decline in moral values is reflected by the increasing stress and corruption in modern times. One of the approaches to address the problem is to focus on the children who are more vulnerable to negative forces.

Central Vigilance Commission (CVC) during the Vigilance Awareness Week Celebration during 2016 on the theme, "Public Participation in promoting integrity and eradicating corruption" has released integrity pledge for Individuals and Institutions.

It is therefore, enjoined upon all the schools to adopt the same by printing the integrity pledge in notebooks/text books (in local Languages) and also can read out on different occasions viz., moral classes, Parents Teachers meet, Annual day celebrations etc.,

A Copy of the integrity pledge is enclosed.
