Principals/Headmasters of all educational institutions are hereby directed that, in order to inculcate best practices of dispose waste management among students, the following should be strictly adhered to in your respective institutions.

1. The waste generated in each of the educational institutions have to be segregated in the below manner.

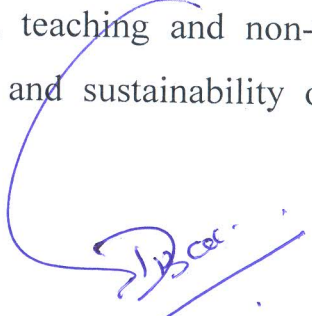

WET WASTE	Dry Waste(to be segregated into 4 fractions)			
Food waste, Kitchen waste, leaves etc.	Paper & cardboard	Plastic	Glass & Metal	Non-Recyclable

A Poster explaining details of each type of waste is uploaded on website of Directorate of Education.

2. The 4-way segregated dry waste should then be handed over to the respective local body or the Goa Waste Management Corporation.

2.

3. Wet waste should be processed by the school in its own premises by composting or generating biogas.
4. E-Waste should be stored separately in a secured manner to ensure there is no breakage of the equipment (especially tube light and bulbs)
5. A Nodal teacher, as well as a waste management cell has to be appointed (with participation from students, parents, teaching and non-teaching staff of the School) to ensure ownership and sustainability of waste management in the institution.
