Right to Information Act 2005

MANUAL

MANUAL – 1

Particulars of organization, function and Duties

[Section 4 (1) (b) (i)]

1. Aims and objectives of Bal Bhavan – Goa.

- ❖ To develop the latent talents in children through creativity and play.
- ❖ To expose the children to various activities in the field of Science, Art, and Physical and Intellectual education and to supplement the school system by providing children with an environment conducive to creative thinking and activity.
- ❖ To be Creative resource centre for schools, educational institutes and other children of Goa.

2. Mission/ Vision of Bal Bhavan Goa

To give opportunity and to develop their hidden talents and personality of children of Goa thereby giving them confidence to face the challenges.

3. Brief History and Background of Establishment of Bal Bhavan – Goa.

Bal Bhavan is the brainchild of India's first popular Prime Minister Late Pandit (Chacha) Jawaharlal Nehru. Chacha Nehru's ideas behind launching this movement was to provide purposeful and meaningful outlet to children's creative and artistic skills inborn in them. The National Bal Bhavan movement in India was started in 1956 in New Delhi. The main trust is to enrich children's inborn skills, nurse and nurture their interest in science, art, drama, music, environment and several topics, in an informal manner. The Bal Bhavan movement has completed almost fifty five years and spread in the states and union territories of India.

Bal Bhavan, an Institution for Children's Movement was launched in Goa at Lyceum Complex, Altinho, Panaji on the 26th January, 1986 with the help and guidance of Late Smt. Mekhla Jha, the then Chairperson of National Bal Bhavan, by establishing an Autonomous Body fully patronized by Govt. of Goa on the parallel lines of National Bal Bhavan with the same aims and objectives. Later on 14th February, 1996 Bal Bhavan, Panaji started functioning at its own prestigious new complex at Campal, Panaji.

This institution is striving hard to search the latent talent in creative performing abilities of the children and develop in them the good hobbies, scientific temper with creativity and vision & to enable them to develop their all round personality and be the worthy citizen of our beloved country. Bal Bhavan acts as an alternative medium for science, art, physical and intellectual education and to supplement the school system by providing children with an environment conducive to creative expression and creativity.

Bearing in mind the large number of population in Goa which is scattered in rural areas and that they can't avail the facilities of Bal Bhavan – Panaji, Bal Bhavan tried to reach out to the rural children, by taking the Bal Bhavan activities to their very door step, by opening Bal Bhavan Kendras in different parts of Goa in order to provide the children with equal opportunities. So far Bal Bhavan has opened 35 Bal Bhavan Kendras and 7 sub-Bal Bhavan Kendras at different places in Goa.

List of activities provided for children in Bal Bhavan are as follows :
