**VI. *Name of the scheme:* Vocational Guidance At +2 Stage**

The scheme of Vocationalisation of Education at +2 stage was introduced in the state of Goa from the academic year 1988-1989 with a view to provide an alternative to higher education and bring work and education closer. The main objective of the scheme was to provide diversification of educational opportunities and enhance individual employability, reduce mismatch between the demand and supply and skilled manpower as an alternative for those pursuing higher education and remaining unemployed.

Vocational Education is a distinct scheme which intends to prepare students for identified occupations, so as to create areas of self employability. These courses are provided in the higher secondary schools along with general stream subjects.

At present 15 vocational courses are provided in 45 Higher Secondary Schools in the State with student strength of minimum 20 students for commerce based and 15 students for Agro based, Home Science and Technical based. Permission is granted to start additional divisions in C.R.M. course to 5 Higher Secondary Schools.
