## C I R C U L A R

This has reference to the report from the office of the Superintendent of Police Crime, Donapaula, Panaji forwarded to the Directorate of Education by Director, Women & Child Development, Government of Goa.

The report informs that one British National visited India along with his wife, stayed in a rented apartment in Colva and thereafter he befriended Lamani families. He tried to help one of the families by incurring expenditure on their children, gave them gifts, clothes, chocolates etc. and after that he sexually abused a minor girl after giving them some juice to drink.

All the Heads of Schools are hereby informed to provide awareness against such kind of child abuse and sensitize the areas in their jurisdiction, so that such vulnerable sections of society do not fall prey to inducement of any kind.
