Government of Goa,
Directorate of Education,
Porvorim -Goa 403 521.

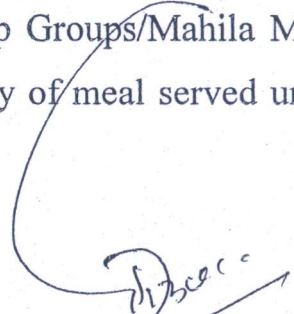

Dated: 26.05.2016

CIRCULAR

Complaints about food poisoning have increased during the months of July to September which might be attributed to contaminated food grains, other raw materials or due to failure in conducting a thorough sanitization of kitchen premises and utensils. The contractors awarded to supply Mid Day Meal to the children of the State should be more careful while maintaining the cleanliness of the cooking place and hygienic condition of the cooked food that would be served to children who are very sensitive to unhygienic food and show very fast reaction immediately after consumption. Hot food should be served containing appropriate weight and nutritional values as prescribed.

In case of failure, the Director of Education will not spare to initiate action deemed fit as entered in agreement, while awarding the contract to you.

In view of approaching monsoon season all the officers/officials under the control of this Directorate of Education are hereby instructed to conduct surprise inspections of schools and kitchens of Self Help Groups/Mahila Mandal/Parents Teacher Association in order to assess the quality of meal served under Mid Day Meal Scheme and submit a report.

(G. P. Bhat)
