

No. DE/Order/RD/2012  
Government of Goa  
Directorate of Education  
Porvorim – Goa.

Dated : 11.6.2012

ORDER

It has been noted by the undersigned that various dues of retired employees are not being released by this Directorate in time. Repeated representations in this regard are being received by me and also from Chief Minister's Office. Joint Director of Accounts is therefore required to take cognizance of these cases immediately and submit the details of the cases pending for disbursement of retirement dues.

In the new cases, as has already been told by me, the retirement benefits must be given to the employees on the last date of their retirement. For making necessary cheques, etc., advance action will have to be taken by the concerned department particularly Accounts, so that retirement dues are paid to the Government employees well in time. JDA is therefore advised to draw a plan for this purpose so that the above decision is implemented from 30.6.2012. Head of office has to send the blank forms to the retiring employee two years in advance which are to be re-submitted by the employee to the Head of Office at least 6 months before their retirement.

  
( D.P. Dwivedi, IAS )  
Director of Education

To :
