“World Elders Day” is celebrated on the 1st October every year throughout the State. Elders play an important role in molding the children, as such our children should respect the elders and the schools must play an important role to inculcate moral values in the young students and ensure that they respect elders so as to promote harmony in society. All Goa Senior Citizens’ Federation had requested this Directorate to issue instructions to all educational institutions under its jurisdiction to celebrate World Elders’ Day in a befitting manner.

It is therefore enjoined upon heads of all the institutions recognized by this Directorate to celebrate 1st of October every year as “World Elders’ Day” with suitable programmes in their institutions.
