Subject: - Regarding Admissions in Std. XI...

This is with reference to a news item in the leading daily, wherein it was alleged that some of the higher secondary schools have already started giving admission(s) to the students in Std. XI – Science Stream.

As already aware; it is once again clarified, that the admissions to Std XI in Science stream; should be done based on the results of an examination, that will be conducted by the Goa Board of Secondary & Higher Secondary School Education - Porvorim and any admission(s) granted without the basis of the said Goa Board entrance exam result will be rendered invalid.

It is therefore directed that all the Higher Secondary Schools desist from enrolling students for XI Science Stream without the results of the said examination by Goa Board of Secondary & Higher Secondary School Education. Any such violation(s) of this process will be viewed seriously.
