CIRCULAR

The Hon'ble National Green Tribunal, Principal Bench vide order dated 23rd July, 2018 in Original Application No. 452/2018 has observed that some of the schools are running with non-complying DG sets and are violating the air pollution and noise pollution norms stipulated under Environment (Protection) Act, 1986. The Hon'ble court has directed to take care of the violation of environmental norms by different institutions in the country.

It is therefore enjoined upon all the managements of the schools to take steps for compliance of environment norms in co-ordination with State Pollution Control Board in case they are using DG sets.
