Government through its various interventions is trying to achieve cent percent literacy in the State. It is therefore necessary that the school Heads grant admission to children in a hassle free manner. As per the practice whenever parent or guardian approaches a school head for admission the birth certificate of the child is obtained and in case it is not available an Affidavit can serve the purpose. In case of the student from other schools, admission can be granted on the basis of school leaving certificate from a recognized institution.

It has been pointed out that at times when the details of father of the child being admitted are not available, then it creates an embarrassing situation for the child and at times the child is also deprived of admission.

It is therefore informed that appropriate changes may be carried out in the admission form replacing "Name of Father" by "Name of Father/Mother" and the details of the father shall not be insisted upon.
